I N C O R P O R A T E D

EARNING YOUR TRUST SINCE 1997

MSNI brings value to our referral partners and merchants by providing a high level of care, consultative approach, and increased savings.

RELATIONSHIP-BASED

We are 100% referral-driven and earn our referrals by delivering personalized customer service with a dedicated account manager.

TRANSPARENT

No hidden fees or long-term contracts, and an A+ rating with the Better Business Bureau since 1998.

COMMUNITY-MINDED

Non-profits receive discount pricing and can generate extra income through our non-profit referral program. This is our way of giving back to the community.

SAVINGS ANALYSIS

Provide us with 2 months of payment processing statements for merchant services and the number of employees for payroll, and we will calculate your MSNI savings at no cost.
